Start using it right away.

Completely
free until 2025!

What Can You Do with 1,000 Credits?

Enable your residents to communicate their questions or feedback via WhatsApp through ADA, either by writing or speaking.

- 1 question - 1 answer is charged at 2 credits.
- Voice messages are charged at 1 credit per minute, with the period calculated per second.

*500 questions or 1,000 minutes of conversation

Let ADA handle the responses to emails from your residents.

- 1 question - 1 answer is charged at 1 credit.

*500 emails

Inform your residents simultaneously with ADA's voice call feature. Provide your message to ADA, and it will call each resident individually to deliver your voice message.

- Calls are charged at 3 credits per minute, with the period calculated per 20 seconds.

* 333 minutes of voice calls

*Calculations are approximate. The actual usage may vary depending on the length of questions and answers.

Plans

| Credit | List Price | Discounted Price |
